

Cyclone presents:

## APPLE TECH TOURS 2018

As a valued Cyclone customer, we would like to extend an invite to you to our upcoming Apple Tech Tours for 2018.

Thank you to Apple and Cyclone, it is now easier than ever to put iPads & Macs in the hands of students and teachers.

Apple have simplified the process of enrolling, configuring devices, buying and distributing apps and books.

### TOPICS COVERED

- What's New for Education in macOS 10.13, iOS 11 & tvOS 11
- Light-touch Management of macOS & iOS with a Live Demo
- Lifecycle Management & Technology Sustainability
- Q & A Session

### WHO SHOULD ATTEND?

This is a 3 hour practical workshop is designed for teachers, curriculum leaders, heads of department and technology coaches.

**Registration is essential as spaces are limited.**

**Morning tea included.**
