Give your students the power to create bright futures.

Only Adobe 'Creative Cloud for Schools' provides students, faculty and staff access to the latest industry-leading creative apps for design, web, video, and photography plus gives them seamless ways to share and collaborate through optional online services. 'Creative Cloud for Schools' is available through the Value Incentive Plan (VIP).

Create across desktop and mobile

'Creative Cloud for Schools' includes favorite desktop apps like Adobe Photoshop CC and Illustrator CC, new apps like Adobe XD CC and Adobe Spark with premium features, and connected mobile apps that let you start a project on the go and finish it on your desktop.

Easily share assets across your apps and teams

Creative Cloud puts your files, fonts, images, videos, settings, and other assets right at your fingertips across your desktop, web, and mobile apps. And you can quickly organize and share assets to work faster and help ensure brand consistency.

Accelerate the design process with creative resources

Access millions of high-quality stock images, graphics, videos, and design templates directly inside your Creative Cloud apps with Adobe Stock, and access thousands of high-quality fonts for web and desktop design with the **Adobe Typekit** font service.

Manage student licences and work securely

Deploy software and services via your schools Single Sign-On, and take advantage of the User Management SDK to synchronize with existing directory systems. Plus, 24x7 technical support and on-boarding assistance are always just a phone call away.

Huge savings for your school
Full Adobe named user licenses including all Creative Cloud services for less than $8* per year!

From $7 annually per licence!
